

Weigh To Go

AXLE SCALE

Rugged, Durable, Self-Contained Axle Scale

Designed for portable, high capacity weighing applications in tight physical spaces, the "Weigh To Go" is a rugged, reliable axle scale with a small footprint. Available in 20,000 lb., 40,000 lb., and 60,000 lb.

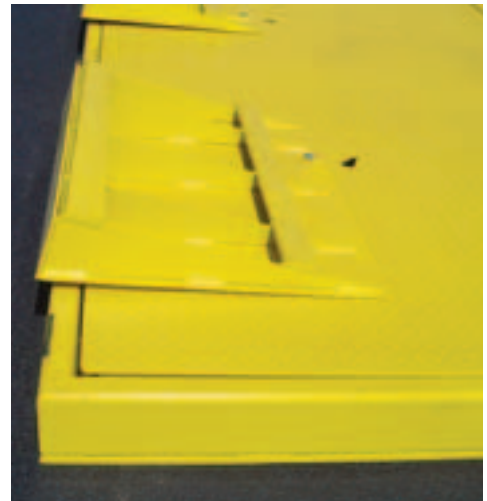

capacities, this 9' x 8' scale is constructed of heavy duty 5" tubular steel for superior structural integrity, covered with a single, continuous steel diamond deck platform, and painted bright yellow for safety purposes. Optional hinged ramps fold out of the way for fast and simple transport.

Weigh To Go can also be installed in a pit application using its existing frame. An optional configuration includes a GSE 465 indicator with axle accumulation program and totalizer.

Key Points

- High capacity design (20,000, 40,000, and 60,000 lb. capacities available)
- Small 9' x 8' footprint for tight spaces
- Optional hinged ramps fold out of the way for improved portability
- Engineered for the toughest floor or pit applications

Standard Features:

- Continuous steel diamond safety deck for easy removal and cleaning
- Rodent-Proof Cabling - all exposed cables protected in flexible steel cable armor
- Self-contained Stainless Steel or mild NEMA 4 junction box
- 5" heavy wall tubular steel frame for strength and rigidity

Options:

- Integral hinged ramps fold flat on the scale deck and secure to facilitate moving
- Back tire chocks enhance safety
- Pit version available in all three capacities

Pricing:

Model Number	Description	Shipping Weight	List Price
WP-20-R	20,000 lb. capacity with hinged ramps	3700 lbs.	\$12,860
WP-40-R	40,000 lb. capacity with hinged ramps	3700 lbs.	\$12,860
WP-60-R	60,000 lb. capacity with hinged ramps	3700 lbs.	\$12,860
WP-20-N	20,000 lb. capacity without ramps	3300 lbs.	\$11,430
WP-40-N	40,000 lb. capacity without ramps	3300 lbs.	\$11,430
WP-40-N	60,000 lb. capacity without ramps	3300 lbs.	\$11,430
WP-20-P	20,000 lb. capacity Pit mounted scale	3300 lbs.	\$11,430
WP-40-P	40,000 lb. capacity Pit mounted scale	3300 lbs.	\$11,430
WP-40-P	60,000 lb. capacity Pit mounted scale	3300 lbs.	\$11,430

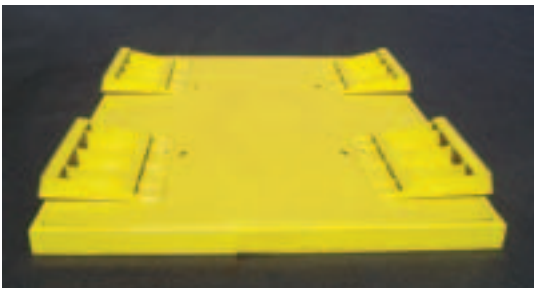

Options:

Model	Description	Price
GSE 465	Programmable Scale Indicator	\$1095
Star Model 8430	Printer with auto print feature	\$500
Epson Model U295	Ticket printer	\$500
	Green Go Light, wall mounted	\$600
	Green Go Light, post mounted	\$900

Warranty:

Fabrication: 5 years
Load Cells: 2 years

For Department of Transportation use.
F.O.B. Rockford, Illinois

Accessories, Printers, Miscellaneous:

- GSE 465 indicator includes axle accumulation program with totalizer
 - Star Model 8430 printer with auto print feature
 - Epson TM-U295 Ticket Printer
 - Green Go Light, Post or Wall Mounted *
- * Lights are activated when the print command has been activated (manual or automatic).
